

Hello!

Welcome to Peterborough! We're happy that you've selected "Our Town" as your town!

The Peterborough Welcome Team is a group of volunteers who formed in 2016 to offer an official welcome to all new residents. Some of us have lived here for more than 30 years, some for just a few. Those of us from "away" discovered that New Englanders tend to respect your privacy, and that this can really make it challenging to meet folks! The Welcome Team makes can make it easier and we do this in two ways:

**Welcome Baskets:** We deliver a Welcome Basket filled with information about the area, offers from more than 40 local businesses, and opportunities to get involved in different events/organizations happening in town. If you would like to arrange for one of us to visit you with a basket, please complete this online form:

**Meet and Greet Events:** Three times each year we put on a low-key event that gives new residents a chance to meet their neighbors. Anywhere from 75-150 people show up and it's a kid-friendly event. Refreshments are served, local businesses provide door prizes and it's generally a good time. **The next Meet and Greet is scheduled for Thursday, August 3, 2017 from 7-8:30PM** at the Monadnock Center for History and Culture on Grove Street downtown. If you would like to attend, please use this link to RSVP:
